

Exercise 1

Read the sentences in the box. Do the verbs in bold in the sentences refer to past time? Complete the table with the sentences. The first one has been done for you.

Architects used to produce all their drawings on a wooden drawing board. I wouldn't want to be an artist unless I was a rich and famous one. Breaking news – prime minister resigns in shock announcement When heated to high temperatures, the material becomes flexible and easy to work with. He told me he was a sculptor.	
not past time	past time
Most architects wish that they didn't have to work such long hours.
