Thinkin' 'bout thinkin' of you

Summertime ..... it was June

Yeah, I ..... it was June

Layin' back head on the grass

Chewing gum havin' some laughs

Yeah, havin' some laughs

You make me ..... like the one

Make me feel ..... the one

The one

Drinkin' by drinkin' for .....

Drinkin' with you

When drinkin' was .....

Sleepin' in the back of my .....

We ..... went far

We didn't need to go far

I don't know ..... we are goin' now

Wake up call, ...and juice

Rememberin' you

What ..... to you?

I wonder if we'll ..... again

Talk about ..... since then

Talk about ..... did it end

So ..... a look at me now
