

# Calculating Change

Name \_\_\_\_\_

Class \_\_\_\_\_

Change from Nu. 1000

FRONT

BACK

Work out how much change you would get from Nu.1000 if you buy each item.

| Item                                                                                                                                                               | Change (Nu) |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
|  <p>Jar of sweets</p> <p>Nu. 380</p>                                             | _____       |
|  <p>Storybook</p> <p>Nu. 699</p>                                                | _____       |
|  <p>Football</p> <p>Nu. 875</p>                                                 | _____       |
|  <p>Samyang 3x</p> <p>Nu. 85</p>                                                | _____       |
|  <p>Kira Set</p> <p>Kira: Nu. 500</p> <p>Tego: Nu. 210</p> <p>Wonju: Nu.120</p> | _____       |
