LIVEWORKSHEETS

SECTION 3 *Questions 21 – 30*

Questions 21 – 25

Complete the summary below.

*Write **NO MORE THAN TWO WORDS** from the listening for each answer.*

Our Geography Field Trip

Our field trip is focused on the River Stour, which runs near to where we live (handy for (**21**) _____). Starting at the (**22**) _____ of the river, we'll evaluate how the River Stour functions as part of the local area's watersheds. We'll need to take water samples, but to find information on (**23**) _____, we'll need to visit the National River Authority in Stourbridge. A helpful water officer will meet us on our visit there and give us access to the (**24**) _____ to find the data that we need. Watersheds involve a variety of water systems, but we'll focus on the River Stour's (**25**) _____ in the area's watersheds rather than study the entire system.

LIVEWORKSHEETS

Questions 26 – 30

*Choose the correct letter **A, B or C**.*

*Write the correct letter in boxes **26 - 30** on your answer sheet.*

26 The students' project is due to be given in on

A an as yet undisclosed date.

C eye infections from the river.

LIVEWORKSHEETS

SECTION 4 *Questions 31 – 40*

Questions 31 – 38

Complete the notes below.

*Write **NO MORE THAN ONE WORD** from the listening for each answer.*

Notes on The Tasmanian Devil

The Tasmanian devil's name derives from its sound, appearance and apparent (**31**) _____.

The (**32**) _____ record shows it was once common all over mainland Australia, until (**33**) _____ and the dingo led to its extinction there.

The Tasmanian devil was originally exterminated as a (**34**) _____, but is now an icon.

The Tasmanian devil escaped extinction with protection by law.

The Tasmanian devil is found in nearly all Tasmanian habitats in varying (**35**) _____, although they tend to be most numerous near where they can find a good availability of food.

The Tasmanian devil usually lives underground and doesn't like to move. Therefore, (**36**) _____ of dens can be very disruptive.

The Tasmanian devil will scavenge on most dead animals – this helps prevent the spread of disease, as their feeding prevents the breeding of maggots.

The Tasmanian devil is a famously noisy eater – this behaviour allows it to establish (**37**) _____ amongst its peers.

The Tasmanian devil is nocturnal and can travel quite a long way at night. The young are more agile and can climb.

The Tasmanian devil is not (**38**) _____, but remains usually in one area.

Although seemingly aggressive, the alarming sounds from a Tasmanian devil stem from fear rather than aggression.
