I'm interested the idea.
My jacket is similar yours.
She's brilliant maths.
My neighbour is angry the party.

He's really good English.
She's amazing the piano.
They're terrible organising anything.
I'm not very good drawing.

I'm angry the decision.
He's nervous the presentation.
She's excited the new job.
They were worried the exam.

She was afraid telling her mum.
I'm frightened having an accident.
He's scared flying.
You should be proud your progress.

He's married the director.
I'm addicted my phone.
I'm allergic nuts.
It's similar the old one.

They were really friendly me.
Was he nice you?
He is always polite everyone.
She was very rude the waitress.

Exercise is good you.
Stress is bad you.
The town is famous its cheese.
I'm responsible the financial side of the business.

She's interested the project.
They want someone who's experienced design.
I didn't want to get involved the argument.
