Read the following passage, and mark the letter A, B, C or D to indicate the correct answer to each of the questions.

English is my mother tongue. Besides, I can speak French and Spanish. I studied the two languages when I was at high school. Now, I am still learning Spanish at the University. As for me, mastering a foreign language is not easy. After studying a language, practice is very necessary and useful. Travelling to the country where the target language is spoken is very helpful, but if you can not speak the language well enough you will certainly have troubles. I also frequently go to the movies, watch television, listen to the radio in the language I am trying to learn. Reading is another good way to learn. Books are good, but I personally think newspapers and magazines are better. However, getting some knowledge of the language is the most important thing. Grammar and vocabulary should be mastered first.

**Question 32:** How many languages can the writer speak?

**Question 33: The writer has learnt Spanish**

A. in Spain      B. at university      C. at high school      D. at high school and university
