AN EMAIL FROM A FRIEND

Hi Rachel,

I'm having a great time in Ecuador with my family. We're in Quito right now. It's the capital of Ecuador. The weather is really different in other parts of Ecuador. In the town of Otavalo, the weather is cool all day and pretty cold at night. There's a famous market in Otavalo with many handmade clothes. We went to Otavalo on Monday. We got beautiful sweaters at the market to wear at night!

There are a lot of beaches in Ecuador. The beaches are usually sunny and very hot. We went to a beach in Muisne on Wednesday and had a great time! It was sunny and hot! Cotopaxi National Park is close to Quito. The park is very big, and it has a large volcano in it. The volcano is also called Cotopaxi. It snows quite a bit on Cotopaxi, and it's extremely cold and snowy at the top. You can walk to the top. The kids can't do it, but Helena and I would like to walk up there this weekend.

How are you? Say hi to Mike and the kids.

Your friend,

Martin
