## Country Roads by John Denver

Almost heaven,	Virginia
	Ridge Mountains,
Shenandoah Riv	ver
Life is old there	
older than the _	
Younger than th	e,
growin' like a bi	reeze
Country roads,	take me
To the place I be	elong
West Virginia, n	nountain mama
Take me home,	country
All my memorie	s gather 'round her
Miner's lady, str	ranger to blue
Dark and	, painted on the sky
Misty taste of m	noonshine, teardrop in my
Country roads,	take me home
I hear her	in the mornin' hour, she calls me
The	reminds me of my home far away
	the road, I get a feelin'
That I should've	been home, yesterday
Country roads	take me home
