Exercise 1

To be successful in the IELTS Reading test it is important to understand how paragraphs are written and used.

Read the statements. Are they True or False? Choose the correct answers.

1. In English, long passages are usually divided up into paragraphs.
    - True
    - False
2. Paragraphs are always one long sentence.
    - True
    - False
3. Paragraphs always have headings.
    - True
    - False
4. A paragraph should have one main topic.
    - True
    - False
5. A paragraph usually has one sentence which explains the topic of the paragraph.
    - True
    - False
