**NAME:** _____ **GROUP:** _____

## TUESDAY, 26TH MAY 2020 – *Project: Make your own compass*

1. Make your own compass. Follow the steps or watch this video.

Haz tu propia brújula. Sigue los pasos o mira el vídeo.

### Make a compass

**Materials:**

Rub the needle against the magnet. Tape the needle to the styrofoam.

Put the styrofoam into a bowl of water.

Where does the needle point to? That's north!

2. Write the cardinal points. What can you see on each direction?

Escribe los puntos cardinales. Utiliza tu brújula y escribe qué cosas ves desde tu ventana en cada dirección.
