Christmas / It's Beginning To Look a Lot Like Christmas by Michael Buble

1 Watch, listen and enjoy.

"It's Beginning To Look A Lot Like Christmas"

It's beginning to look a lot like Christmas
Everywhere you go;
Take a look at the five and ten
It's glistening once again
With candy canes and silver lanes aglow.

It's beginning to look a lot like Christmas
Toys in every store
But the prettiest sight to see is the holly that will be
On your own front door.

A pair of hop-along boots and a pistol that shoots
Is the wish of Barney and Ben;
Dolls that will talk and will go for a walk
Is the hope of Janice and Jen;
And Mom and Dad can hardly wait for school to start again.

It's beginning to look a lot like Christmas
Everywhere you go;
There's a tree in the Grand Hotel, one in the park as well,
It's the sturdy kind that doesn't mind the snow.

It's beginning to look a lot like Christmas;
Soon the bells will start,
And the thing that will make them ring is the carol that you sing
Right within your heart

It's beginning to look a lot like Christmas
Toys in every store
But the prettiest sight to see is the holly that will be
On your own front door.

Sure it's Christmas once more...
