Who Wants To Be A Millionaire?

Read the text below, choose the correct answer (A, B, C, D)

We all know (1) _____ game, right? You (2) _____ to answer fifteen questions to win £1 million – easy? No! The questions start easy and then get (3) _____. With a hard question, you can:

- ask the audience – they have to choose A, B, C or D, but you don't have to accept (4) _____ answer;
- phone a friend – (5) _____ has to give you an answer in thirty seconds;
- ask the presenter to take away two wrong answers.

You get money for each correct answer. You don't have to answer all the questions – you can stop before the £1 million question. So, let's (6) _____ to become a millionaire!

1	A these	B this	C those	D there
2	A is	B can	C has	D have
3	A difficult	B different	C full	D sure
4	A their	B them	C theirs	D they
5	A they	B your	C he	D we
6	A trying	B to try	C try	D tries
