

I. Choose the best response (A, B, C or D) to complete each conversation.

1. Does something stink here?

- _____

- A. I can't hear anything.
- B. Really? Show me what you see.
- C. No. Everything is good.
- D. It's because of garbage littered into the river near here.

2. - _____

- That's the reason why I usually have headaches.

- A. This song sounds great.
- B. The river is seriously contaminated.
- C. Our city has too much noise pollution.
- D. You ate too much raw meat tonight.

3. - _____

- *Let's clean it up.*

- A. The room is so dirty.
- B. Air pollution does harm to our health.
- C. Farmers use too much pesticide that badly affects soil and small animals.
- D. What do you think about water pollution in our neighbourhood?
