Nick's mum: Today we're making a prawn salad, which is a favourite of mine.

Mi: Fantastic. I love salad.

Nick's mum: This salad is simple but delicious. Here are the ingredients: prawns, celery, spring onions, mayonnaise, lemon juice, salt and pepper.

Nick: What should I do first, Mum?

Nick's mum: Get a big bowl for me. And then can you wash the celery?

Nick Sure.

Mi: I can wash the spring onions if you like, Mrs Warner.

Nick's mum: Please, do. I'll boil the prawns.

Mi: So, do English people eat lots of salad?

Nick's mum: Yes, especially in the summertime. People often serve salad as a starter. But salads also make a healthy lunch or supper.

Mi: You're right, they're so versatile. And you can put anything in a salad.

Nick: Mum, the prawns are pink now.

Nick's mum: They're pink?

Nick: Yes

Nick's mum: Good, they're ready. I'll drain them. Nick, can you peel them? Mi, could you chop the celery and spring onions? You should be careful if you use the red knife – it's sharp.

Right, everything's ready. What do we do next?

Nick's mum: OK, first, combine the prawns and celery in the bowl. Add two tablespoons of mayonnaise, half a teaspoon of salt, half a teaspoon

of pepper and some lemon juice. Now, mix all the ingredients well.

Nick: OK

Nick's mum: Finally, add the spring onion on top. Now we cover the bowl and leave it in the fridge for an hour. You've done a good job, both of you

Mi I can't wait to try it.

Nick: Yeah, I'm starving! An hour is a long time...

Pumpkin soup is my family's favourite soup. We usually have it for breakfast with some slices of bread. It's quick and simple to cook.

The ingredients are: a kilo of pumpkin, two shallots, two sticks of celery, two tablespoons of butter, two tablespoons of fresh cream, and a pinch of salt.

Before cooking, peel the pumpkin and chop it into cubes. Peel the shallots and slice them. Next, wash the celery and remove the leaves.

Here are the steps to make the soup:

- Heat the butter in a deep pan, add the shallots and celery and stir fry for a few minutes.
- Add the pumpkin and stir fry for a few more minutes.
- Add 750ml of water and a pinch of salt and cook until the pumpkin is tender. Cool for 10 minutes.
- Purée the soup in a mixer until it is smooth.
- Add the cream and simmer for 2 to 3 minutes.
- For the finishing touch, garnish it with some celery leaves.

Pumpkin soup is very healthy. It's a good source of fibre, minerals, and vitamins, especially vitamin A. If you eat this soup regularly, you can improve your eyesight and protect yourself from certain cancers.
