Knowing you don't like seafood		I'd have no hesitation recommending her for the job.
Angered by his hurtful remarks		I can't really give you an opinion.
Working all hours of the day and night		I've cooked some chicken too.
Having seen her work		singing loudly.
They were walking down the street		she slammed down the phone.
Not having read the book myself		he rarely has time for parties or that kind of thing.
