What do you do in winter?

A Read the text

Dear penfriend,

My name is Maria. I live in London, in Great Britain. We start school in September. In October, I rake the leaves in the garden. In November, it usually rains, so I mostly stay at home after school. I watch videos, read books or chat with my friends on the Internet. In December, I go to my grandmother's house for holidays. My grandma is so much fun. We walk in the park, make snowmen and feed birds. Sometimes we go to the mountains with my parents. There we go mountain skiing. I adore snowboarding. This year we have visited a special place and have tried dog sledding. And my dad has done ice fishing. Now we are in the Alps again. I am drinking hot chocolate and writing this email. My brothers are sledding. My mum is walking and enjoying the view. My dad is shovelling snow. It was snowing at night. Our holidays are great!
