

Exercise 6

Read the information. Then complete the table with the verbs in the box.

In English, some verbs are followed by a *gerund* or *infinitive*. For example:

He **considered** moving to the UK after he completed his studies in Germany.

She **decided** to do an internship in Sweden.

The verb *consider* is followed by a gerund. The verb *decide* is followed by an infinitive.

Some verbs are followed by an object and then an infinitive:

He **persuaded** me to buy a new computer.

It is important to learn the correct form as this will affect your Grammatical Range and Accuracy mark in the IELTS test.
