

This week's Hot Homes

See our list of the top five houses/flats for sale

22 Greenways Road – This is a lovely semi-detached house, with neighbours on the south side only. Greenways Road is in the quiet ¹s of the city, and good transport links get you to the historic centre in only 15 minutes.

More →

78 Darrington Avenue – This small ²t house (quiet neighbours on both sides) is made of red ³b and has a private garden at the back and a real fire in the living room – very ⁴c on cold winter nights!

More →

8 Denholme Street – This 300-year-old stone ⁵c is very near the ⁶s and has wonderful views across the water. It also comes with a few nice surprises: there's a study downstairs in the ⁷b and a small guest bedroom on the second ⁸f.

More →

Oak House, Long Lane – A large and very ⁹s home (8 big rooms!) in a small, friendly ¹⁰v only 30 miles from London. This ¹¹d house has large gardens all round. Built in the 1800s, this is a very ¹²t English home.

More →

128/14 Ivy Close – These new ¹³f (seven in each building) are very ¹⁴m and have hi-tech kitchens and bathrooms. The kitchen, living room and dining room are ¹⁵o plan, so there's one very big living space. Ivy Close is right in the city ¹⁶c, close to shops and offices, so it's perfect for young professionals.
