Fantastic concert
in the park last
Saturday at 9.00 pm.
Hundreds of people
were there. I danced
all night. Great food,
too!

Read the description of an event. Then copy and complete the chart about the event.

Model

On Saturday, my friend Tim and I went to the Galaxy Beach music festival. There were free concerts at the festival. One of the concerts was by a group from Brighton. They performed rock music and their electric guitar player was fantastic. There was also a jazz concert and a disco in a tent. The disco was very crowded but it was fun. After the disco, we were hungry, so we went to the food tent and had pizza. It was a great festival!
