

Exercise 4

Read the information. Then complete the table to form collocations. Use the words in the box.

Collocations are words that often go together. These can be noun + noun (e.g. *space travel*), adjective + noun (e.g. *lunar landings*), etc.

research	scientific	solar	space
----------	------------	-------	-------

_____	Scientist
_____	Proposal
_____	and development
_____	Breakthrough
_____	Expertise
_____	Research
_____	Exploration
_____	Station
_____	Rocket
_____	Energy
_____	System
_____	panel
