

NAME _____

Read the excerpts. Write F if the statements are *facts* or O if they are *opinions*.

1. *"I believed I could do more good with money for the poor than the poor could do for themselves."*

2. *"Dozens of studies show that people use cash transfers to improve their own lives."*

3. *"None of these studies found people spend more on drinking or smoking or that people work less."*

4. *"They found that 30 percent of recipients had turned around and sold the livestock they had been given for cash."*

5. *"I believe most aid is better than just throwing money out of a plane."*

6. *"I am absolutely certain that a lot of aid today isn't better than giving directly to the poor."*
