

## Bejeweled by Taylor Swift

### Listen to the song and complete the lyrics

Baby love, I think I've been a little too \_\_\_\_\_  
Didn't notice you \_\_\_\_\_ all over my peace of mind  
In the shoes I gave you as a \_\_\_\_\_  
Puttin' someone \_\_\_\_\_ only works when you're in their top \_\_\_\_\_  
And by the way, I'm going out \_\_\_\_\_

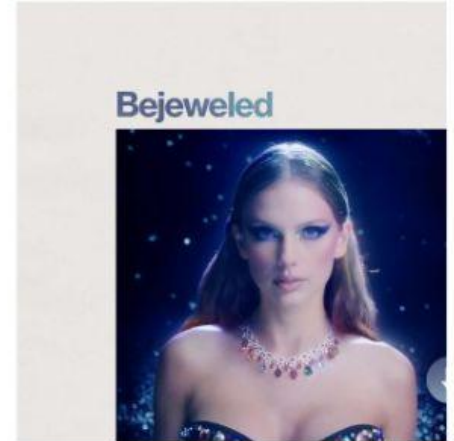

Best believe I'm still \_\_\_\_\_  
When I \_\_\_\_\_ in the room  
I can still make the whole place \_\_\_\_\_  
And when I \_\_\_\_\_ the band  
They ask, "Do \_\_\_\_\_ have a man?"  
I can still say, "I don't \_\_\_\_\_"  
Familiarity breeds contempt  
Don't put me in the \_\_\_\_\_  
When I want the penthouse of your \_\_\_\_\_  
\_\_\_\_\_ in my eyes  
I polish up real, I polish up real \_\_\_\_\_

Nice

Baby boy, I think I've been too good of a \_\_\_\_\_ (too good of a girl)  
Did all the \_\_\_\_\_ credit, then got graded on a curve  
I think it's time to teach some \_\_\_\_\_  
I made you my \_\_\_\_\_ (huh), have you heard? (Huh)  
I can reclaim the \_\_\_\_\_  
And I \_\_\_\_\_ you (I miss you)  
But I miss \_\_\_\_\_ (ah, hey)

### Order the lines

\_\_\_ I can still make the whole place shimmer  
\_\_\_ And when I meet the band  
\_\_\_ Nice  
\_\_\_ When I want the penthouse of your heart  
\_\_\_ I can still say, "I don't remember"  
\_\_\_ Don't put me in the basement  
\_\_\_ They ask, "Do you have a man?"  
\_\_\_ Diamonds in my eyes  
\_\_\_ Best believe I'm still bejeweled  
\_\_\_ I polish up real, I polish up real nice  
\_\_\_ When I walk in the room  
\_\_\_ Familiarity breeds contempt

present  
land  
tonight  
basement  
five  
walk  
meet  
you  
Kind  
remember  
lessons  
miss  
Diamonds  
nice  
shimmer  
girl  
extra  
world  
bejeweled  
walking  
sparkling  
first  
heart

**Match the columns**

- 1- Sapphire tears on my face
  - 2- But some guy said my aura's moonstone
  - 3- And we're dancin' all night
  - 4- But you might have to wait in line
- A diamond's gotta shine

Best believe I'm still bejeweled  
When I walk in the room  
I can still make the whole place shimmer (shimmer)  
And when I meet the band  
They ask, "Do you have a man?"  
I can still say, "I don't remember"  
Familiarity breeds contempt  
Don't put me in the basement  
When I want the penthouse of your heart  
Diamonds in my eyes  
I polish up real (nice), I polish up real nice

And we're dancin' all night  
And you can try to change my mind  
But you might have to wait in line  
What's a girl gonna do? What's a girl gonna do?  
I polish up nice  
Best believe I'm still bejeweled  
When I walk in the room  
I can still make the whole place shimmer

- A- What's a girl gonna do?
- B- Just 'cause he was high
- C- And you can try to change my mind
- D- Sadness became my whole sky
