Hi Julia! We're having a fantastic time on our tour of London. Today we're going to see the Houses of Parliament. It's got a really old clock tower with a huge bell inside. You can't go inside, but you can hear the bell chime the hours from the street. The bell weighs 13,760 kilos! They call the tower Big Ben, but that's really the name of the bell. After that we're going to see Buckingham Palace. It has got 775 rooms. We can visit some of the rooms and the garden. The Queen usually lives there, but not in the summer. That's when she goes on holiday to Scotland. Tomorrow we're going to visit the Tower of London. We're taking a boat along the River Thames. The Tower of London is one of the oldest palaces in London and inside the museum you can see the crown jewels. Some people say there are ghosts in the Tower, too! Love from Emily
