

The three R's song

Write the missing words. The pictures will help you

Three it's a magic number

Yes it is, it's a magic number

Because two times three is six

And three times six is 

And the eighteenth letter in the alphabet is R

18

We've got three R's we're going to talk about today

We've got to learn to

Reduce, reuse, recycle

Reduce, reuse, recycle

Reduce, reuse, recycle

Reduce, reuse, recycle

Reduce

If you're going to the market to buy some 

You've got to bring your own bags and you learn to  your waste

And if your brother or your sister's got some cool 

You could try them on before you buy some more of those

Reuse, we've got to learn to 

Reuse

And if the first two R's don't work out

And if you've got to make some trash

Don't throw it out

Recycle, we've got to learn to 

We've got to learn to

Reduce, reuse, recycle

Reduce, reuse, recycle

Reduce, reuse, recycle

Reduce, reuse, recycle

Recycle
