

# 12

## A journey into space

**D** Read the text. Choose the right words and write them on the lines.

### Our planet

Example

The planet we live on is called 'Earth'. Earth is one of the eight planets ..... move around round and round the sun.

on at in

- 1 Until ..... twentieth century, we didn't have
- 2 ..... really good maps of our planet. But now,
- 3 special cameras in space can ..... pictures of Earth so making maps is easy!
- 4
- 5 ..... of our planet has water on it so, in
- 6 pictures, Earth often ..... like a big blue and white ball!

1 what who that

2 all the one

3 lots any no

4 take taking took

5 Most Every Many

6 looks looking looks

- 7 But pictures of Earth don't only help us to make maps. When we look at ....., we can also
- 8 learn a ..... about the Earth's environment and weather.

7 they their them

8 too lot some

- 9 Travelling in space and exploring other planets teaches ..... more about Earth, too.
- 10 ..... you like to design spaceships or to be an astronaut one day?

9 ours us our

10 Can May Would

**E** Listen and write names, then colour the planets.

Mars Mercury Uranus Saturn Jupiter
