

Who says what?

the speaker	If we want a brighter future, we have to build it now in the dark times.
Alexis De Veaux	Something good is going to happen, we just don't know what it is yet.
Majid	Thinking like a mother is a tool we can all use to build the world we want.
speaker's mother	Justice is what love looks like in public.
Cornel West	Motherhood is not simply the organic process of giving birth.
