Is it right or ..... try to find a place

We can all belong?

Be as .....

Try to get on by

If we unify, we should ..... try all this time

Spinning round and round

Made the same .....

That we've ..... found

Surely now we could move along

..... a better world

No it can't be wrong

***Let's .....together***

***Right now, oh yeah***

***In .....harmony***

.....is running out, let there be no doubt

We should sort things out if we care

Like we ..... we do, not just empty words for a week or two

Make the world ..... priority

Try to ..... your life ecologically

Play a part in a greater scheme

Try to live the ..... on a wider scene
