Module E – Vocabulary List A3

Practice Page 3

I. Read the paragraphs and answer the questions below WITHOUT using a dictionary.

Local lawyers have founded an organization that will prevent environmental damage to the area. They hope to persuade the population to plant more trees and flowers too. They are hopeful that the new methods will achieve their goals, as previous attempts have been mostly unsuccessful.

1. Who started a new organization?
   a. lawyers from all over the country
   b. young lawyers
   c. lawyers from the area

2. Name **one** thing the new organization wants to convince people to do.
   _____

3. Did earlier attempts to improve the environment work? Yes/No

Can I persuade you to visit Oceanview? The town is located on the ocean, and the landscape is extremely beautiful land and sea! It is a pleasure just to walk around town. The local population is around 30,000. There is a big metal industry near the town. In order to prevent damage to the local environment, modern methods are used to prevent pollution.

1. Where is Oceanview? _____
2. How many people live in Oceanveiw?_____
3. What kind of business is there close to town? _____
4. What is the purpose of this paragraph?
