Read the passage and choose the best answer to each of the following questions. (5 questions)

Livestreaming is the act of broadcasting live video of an event over the Internet. Livestreaming has become a useful tool in the coronavirus outbreak. It has been widely used in business, education and now has also influenced the way weddings are held. Among hundreds of guests who are invited, there can be those who are living so far away or having health issues that make them unable to travel. There can also be those who feel not comfortable about social gatherings, especially during the COVID-19 pandemic. Thanks to livestreaming, guests who cannot make it to the ceremony because of those various circumstances can still be part of the wedding without risking their health. However, the bride and the groom will have to consider which professional service to use to livestream their weddings. With advanced technology, those professionals can make sure the recording is clear and guests can access it from any platform, from desktops to mobile phones.
