

WORKSHEET

Topic: Future plans

Activity 1.

Instruction: In this activity, you will find images that represent some plans; Look at them carefully and identify which plans are. After that, answer the following questions orally.

Questions

- Which plans do you identify in the images?
- Which of these plans would you like to achieve? Why?

WORKSHEET

Topic: Future plans

Activity 2.

Instruction: In this activity, you will work in groups to put in order the pieces of paper that your teacher will provide you to form the correct sentence. When your group is ready, a representative has to mention the correct answer and your teacher will verify your answer. (You may ask the teacher's orientation).
