

MAP AND DIRECTIONS

Read the questions, choose the correct answer and then record it using the loudspeaker of your device:

What building is between the pet shop and the grocery store?		
What building is located in front of the church?		
What bulding is in front of the City Hall?		
If I'm at the museum, how many streets should I take before I reach the hospital?		
What body of water will you see near the school?		
What buildings will I pass by on my way from the cafe to the school?
