

IF CLAUSE + SUGGESTION/IMPERATIVE

A. Tujuan Pembelajaran

Setelah kegiatan pembelajaran ini peserta didik diharapkan:

1. dapat menentukan struktur teks yang tepat dalam membuat kalimat pengandaian yang diikuti kalimat perintah langsung
2. dapat menentukan struktur teks yang tepat dalam membuat kalimat pengandaian yang diikuti ungkapan memberikan saran, rekomendasi, atau nasihat

B. Uraian Materi

Pada kegiatan pembelajaran kali ini, kalian akan diajak membaca dan berlatih dialog yang berkaitan dengan mengkomunikasikan kalimat pengandaian yang diikuti dengan kalimat perintah dan kalimat memberikan saran. Selanjutnya, untuk menggunakan kalimat pengandaian yang benar maka kalian perlu mengetahui struktur dan pola kalimat tersebut, lihatlah contoh contoh yang akan disajikan. Kalian dapat mengingat materi pelajaran sebelumnya tentang kalimat pengandaian dimana ciri utamanya adalah menggunakan kata **"If"**, dan yang paling penting adalah kalian mendapatkan makna "pengandaian" sesuatu yang diharapkan terjadi atau seolah olah. Sedangkan, kalimat imperative atau perintah memiliki ciri pola kalimat yang diawali kata kerja (verb) untuk positif, sedangkan untuk negative diawali **"Don't"**.

Selain itu, dalam kehidupan sehari-hari kalian sering dihadapkan dengan situasi jika kondisi tertentu terjadi, maka seharusnya ada sesuatu yang dilakukan. Contoh, ***if you don't know how to operate your new computer, you should read the manual book first.***

Bagaimana dengan teks tulis berupa himbauan dalam bentuk brochure berupa Langkah-langkah yang harus dilakukan seperti contoh di atas?

Practice 1.

Look closely into the following conversation. Then, read it loudly. Make sure you understand every sentence, read them meaningfully and spell every word correctly. I'm sure you can do this.

Silahkan kalian baca dengan keras, jika kalian memiliki teman untuk berlatih melafalkan dialog ini, tentunya akan lebih baik. Latihkan kembali intonasi kalimat pertanyaan. Kuncinya adalah berlatih **"Practice makes perfect"**.

Sebelum lanjut ke kegiatan selanjutnya. Coba kalian diskusikan dengan rekan kalian atau jawab pertanyaan-pertanyaan berikut ini terkait dialog di atas: Apa yang mereka bicarakan?

Benar! Tentang sebuah kepercayaan (**trust**) antar teman, apakah mereka saling percaya? Mari kita lihat percakapan tersebut.

If you trust, Let us know...it means that if you have trust on me, you can tell us anything, but if you don't, don't do anything.

Jika (Pengandaian) maka lakukan sesuatu (Imperative).

Bagaimana dengan kalimat " If you believe, **don't be afraid** to share!" Perhatikan kedua contoh kalimat tersebut pada bagian setelah If Clause nya, adakah yang membedakan?

Benar jika pola kalimat berbeda maka maknanya pun berbeda.

THINGS TO REMEMBER

1. If Clause Imperative

If Clause yang digunakan untuk meminta orang lain **memerintahkan** orang lain melakukan atau tidak melakukan sesuatu.

	If Clause If Subject + V (Present Tense)	Imperative Sentence Verb+ Object / Don't + Verb+ Object
	If you trust me	Let me know what is happening
	If you go out	Don't forget to wear a mask

2. If Clause Suggestion

If Clause yang digunakan untuk **memberikan saran** kepada orang lain.

	If Clause If Subject (Present Tense)	Suggestion S + should + verb 1 (
	If you see a crowd of people	You should keep away
	If You don't know me at all	You shouldn't talk anything about me

Selamat sekarang kalian mampu membedakan makna kedua kalimat tersebut dan pola kalimatnya!

Now, take a look the dialogue below. Then, try to read aloud.

Jerry : Is it new, Jack?

Jack : Yes, but I can't use it.

Jerry : If you want to use it, read the manual first!

Jack : Ok, I follow the instruction on the manual.

Jerry : How about now?

Jack : It works, thanks for your suggestion.

Jerry : My pleasure.

Great. Kalian semakin mampu meningkatkan kemampuan membaca nyaring, melafalkan kata dengan jelas serta intonasi yang tepat. Coba latih dengan teman yang ada di sekitar kalian.

Now, try to answer the question. You can make a note .

Do you think that Jack has a problem? What is it?

How to solve it? Ask his friend?

Good! Kalian mengetahui maksud dari dialog tersebut bahwa Jerry has given order with “ **Read the instruction before you operate it !**” means that “ **If you want to use it, read the instruction!**”

Perhatikan dan pahami percakapan berikut

What are they talking about?

Yes, you're right. They are talking about football. Namun, kita tidak akan berbicara sepakbola. Coba perhatikan gambar tersebut, saat kapan peristiwa terjadi yaitu **sebelum** permainan bola dimulai, dan mereka membicarakan strategi yang **akan dimainkan**. Kalimat kalimat tersebut memberikan saran jika sesuatu terjadi. Apakah kalian setuju dengan penjelasan gambar ini?

Selanjutnya perhatikan kata kata yang dicetak tebal pada dialog tersebut, yaitu : “ **If** you want to win the game, you **should make a goal**. It means the coach gives **suggestion of how to win the game**.

Now, read the table below

If Clause	Suggestion
If you want to see the game	You should make a goal so quickly
If you want to stop Messi	You should play beter than him

Practice 2

Fill in the blank with appropriate recommendation (in the box)

Great, luar biasa.

Nah, bagaimana kalian membedakan antara percakapan yang ini dan yang sebelumnya? Adakah situasi yang berbeda?

Benar, bahwa untuk dialog ke dua ini bukan memberikan saran, namun memberikan kemungkinan yang dapat dilakukan. " **If** the club need a lot of money, we **can** sell the players.

If	Can (Recommendation)
If we need a new striker	We can ask Ronaldo to join

Well done. Kalian semakin menguasai situasi yang tepat untuk menggunakan if clause, dengan imperative, suggestion atau recommendation.
