

No Matter What (Ronan Keating & Carola)-

No matter they us
No matter they
No matter they us
What we is true

No matter what they us
However they
No matter they us
We'll f.....our own way back

I can't deny I
I can't be I'm not
I I'll forever
I know no matter

If only tears were laughter
If only night was day
If only prayers were answered
Then we would hear God say

No matter they us
No matter they
No matter they us
What we is true

And I will you and
And from the
No matter it's barren
A dream is born

No matter they
No matter they
No matter they us
I'll everyone you

No matter the sun don't
Or if the are blue
No matter the end
My life began with you

I can't deny I
I can't be I'm not
I know, I know
I know this love's

That's I that now
No

No, no matter (no no matter what)
No, no matter (no no matter what)
No, no matter, that's all that matters to me (no no matter what)
No, no matter, that's all that matters to me (no no matter what)
No, no matter, that's all that matters to me (no no matter what)
No, no matter, that's all that matters to me (no no matter what)
And no, no matter what, that's all that matters to me (no no matter what)
And no, no matter what, that's all that matters to me
