AULD LANG SYNE by Lea Michele

Should _____ acquaintance be forgot
And never brought to _____
Should all acquaintance be forgot
And auld lang syne

For auld lang syne, my _____
For auld lang syne
We'll take a cup of _____ yet
For auld lang syne

And surely you will buy your _____
And surely I'll _____ mine
And we'll take a cup of _____ yet
For auld lang syne

We too have run around the _____
And picked the _____ fine
We've londoned many weary _____
Since auld lang syne

For auld lang syne, my _____
For auld lang syne
We'll take a cup of _____ yet
For auld lang syne

We too have paddled in the _____
From morning sun to _____
But the _____ between us broad have roared
From auld lang syne

For auld lang syne, my _____
For auld lang syne
We'll take a cup of _____ yet
For auld lang syne
We'll take a cup of _____ yet
For auld lang syne
