Task 1

Read the text carefully!

A long time ago, there lived a monk infamous for his arrogance. His name is Shan. He held an important position and everybody knew him. This made him so full of himself.

Qui Jin heard about the monk and wanted to teach him a lesson. He came to see Shan, but the monk didn't say a word.

Later he saw the monk greeting the son of a high ranking military officer. Qui Jin asked the monk why he treated the son of the military officer and Qui Jin differently. The monk answered, "Don't misunderstand me. For me, no greeting means greeting and greeting means no greeting."

Qui Jin could sense the monk's mischief. So with a stick, he hit the monk on the head. Qui Jin said "Based on your rationale, hitting means no hitting and no hitting means hitting. That is why I hit you. "

Shan understood his mistake. Since that day, monk respected everyone and greeted them regardless of who they are.

Task 2

Match the words in the left boxes with their synonyms in the right ones!
