Mother's day is celebrated on the second Sunday in May. On this day, mothers usually receive greeting cards and gifts from her husband and children. The best gift of all American moms is a day of leisure. The majority of American mothers have outside jobs as well as housework, so their working days are often very hard. Flower is an important part of Mother's day. Mothers are often given a plant for the occasion, particularly if they are elderly.

Father's day is celebrated throughout the USA and Canada on the third Sunday in June. The holiday customs are similar to Mother's day. Dads also receive the same gifts as what moms get on their day.
