READING COMPREHENSION
POINT OF VIEW

Instructions: Read the passage below. Then, answer the questions that follow.

I love television. The first thing I do when I wake up is switch it on. My favorite channel is the Cartoon Network. I watch TV three to four hours a day. My parents think it is too much and they are always telling me to do something else like study, read, or play a sport. But TV is my favorite hobby; and I don't feel like doing anything else.

Of course I know that my grades could be better if I concentrated more on schoolwork; and if I took more time to do my homework; but I guess I'm addicted to my favorite programs. Anyway, I have already promised my parents that I would watch less TV every day. I guess a good way to start is by going to bed earlier.
