

PAST SIMPLE REVIEW**Past simple for past actions and situations**

We use the past simple for

- a single completed action in the past: *He **died** in 1539. **Did** you see the film last night?*
- repeated actions in the past: *He **learned** several native American languages. Caroline **phoned** her family every day when she was on holiday.*
- a series of actions (when one thing happens after another) in the past: *We **arrived** in Rome at eleven o'clock and **took** a taxi to Franco's apartment. Then we **went** to the square and **looked** round the shops, but we **didn't buy** anything.*
- situations that finished in the past: *He **lived** from 1500 to 1539. Children **didn't have** so many electronic toys when I **was** young.*

Past simple + adverbs of time; when, after

We often use adverbs of time to say when a past action happened, for example

- ago: *We **arrived** at the airport **ten minutes ago**. (ten minutes before now)*
- for (with periods of time): *The economic crisis **lasted for two years**.*
- last week/month/year: *Mariela **started** college **last month**. We **had** a general election **last year**.*

We can also use when/after + past simple:

***When they arrived**, they explored Texas and New Mexico ...*

***After Rory left home** that morning, he went to work as usual ...*
