

POLIPASTOS II

Polipasto

Que fuerza tenemos que hacer para levantar el peso?

Peso = 411 N

Fuerza = N

Enter 

Help ?

The diagram shows a person on the left pulling a rope that passes over a fixed pulley and then under a movable pulley. The rope is attached to a ceiling. A weight labeled 'Peso' is hanging from the movable pulley. A red arrow labeled 'F' points downwards from the rope where the person is pulling. Another red arrow labeled 'R' points downwards from the weight. The word 'Polipasto' is written above the pulley system.
