

ACTIVITY 3

Learning Objective :

Compare social function, generic structure and language feature of procedure text

Read 2 Procedure text below and answer the question

TEXT 1

How To Make Fried Banana

Ingredients:

- Bananas
- Bread flour
- All-purpose flour
- Salt
- Oil for frying.

Tools:

- Knife
- Pan
- Spoon

Steps

- Slice bananas thinly.
- Mix bread flour with all-purpose flour and salt to taste.
- Dip banana slices into flour mixture.
- Heat oil in pan until warm.
- Fry banana slices until golden brown.
- Remove and drain oil with paper towels.
- Serve fried bananas while still warm.

TEXT 2

How To Make Fried Indomie

Ingredients:

- Indomie noodles
- Oil
- Eggs
- Seasoning

Tools:

- Wok or frying pan
- Tongs
- Spatula

Steps :

- First, boil the Indomie noodles according to the package instructions.
- Then, drain and set the noodles aside once they are cooked.
- Next, heat the oil in a wok or frying pan over medium heat.
- After that, add the garlic, onion, and eggs to the pan, and stir-fry until the eggs are fully cooked.
- After that, add the boiled noodles to the pan and stir-fry until they are well mixed with the other ingredients.
- Moreover, add soy sauce and chicken broth for additional flavor.
- Finally, season to taste with additional spices or seasonings.
- Serve hot and enjoy.
