Well then, for starters I would go with a Caesar Salad.

Good evening Sir! Welcome to Hotel de Plaza.

Excellent choice Sir! And for dessert...?

Any recommendations?

Very well! Can I get you any tea or coffee?

I'll have a Creme Brulee

What would you like to order today?

Just plain water would do. That's it. Thank you!

Good evening!

Sounds good! For the main I'd like a Steak.

Any preference Sir? Vegan...?

Well Sir, I'll be right with you! Thank you!

Oh no, I don't mind meat.
