

Communication and Cultural Awareness

Social Studies

1. Listen and repeat the poem.

My Neighborhood

I love my town, my town, my town.

There are a lot of trees that you can see,
you can see.

There is a playground, a movie theater,
a hospital and so much more.

A library, a shop, and a grocery store!

When I walk around my town,
there is so much to see!

Audio

Listen to the recording

2. Look at the pictures and match them with the places.

playground

hospital

street

bus stop

movie theater

swimming pool

market

train station

zoo

store

Culture

A **neighborhood** is a place where people live near one another.
