Listening Part 4 Exam Tips
• First, read each question and then the possible answers. • Then, listen to each recording, to find out what the conversation is about and choose the best answer for each question. • Use the second listening to check that you have chosen the correct answer. • In some questions, you should listen for the main topic or the most important idea. Try to think about everything you hear. What does the person really mean? • Finally, remember that in Part 4 the possible answers are not always in the same order as the information in the script.
