

There are lots of different types of rides at theme parks like Disneyland. Read the descriptions and match the words.

- |   |   |
|---|---|
| 1. This has animals or little cars that you sit on as you go around and around in a circle.   | a. a <u>haunted</u> house                 |
| 2. This is like a very fast train that goes up and down big hills and around sharp corners.   | b. a <u>ferris</u> wheel                  |
| 3. This is more of a means of transportation than a ride, but sometimes you get a good view of the park while you travel from one place to another. | c. <u>bumper</u> cars                     |
| 4. This takes you up and down around a circle several times.  | d. a <u>carousel</u> or <u>roundabout</u> |
| 5. This ride has several arms, and each arm has several places to sit. You go around as well as up and down, very fast.                             | e. a <u>roller</u> <u>coaster</u>         |
| 6. This takes you up and when you come down you get wet.  | f. a <u>water</u> slide or log ride       |
| 7. You drive your own little vehicle and try to crash into other people.  | g. a <u>scrambler</u>                     |
| 8. You ride or walk through a place full of ghosts and skeletons.   | h. a <u>monorail</u>                      |
