Exercise 1

In the IELTS Speaking test, you can increase your grammatical range *by using* collocations. Collocations *are words or phrases which, when used together, form a new word.*

Match the words to make collocations related to the topic festivals.

day	dress	festival	holidays	movies	products

1. film	
2.black and white	
3.easter	
4. local	
5. traditional	
6. national
