

### Exercise 1

*In the IELTS Speaking test, you can increase your grammatical range by using collocations. Collocations are words or phrases which, when used together, form a new word.*

*Match the words to make collocations related to the topic festivals.*

|     |       |          |          |        |          |
|-----|-------|----------|----------|--------|----------|
| day | dress | festival | holidays | movies | products |
|-----|-------|----------|----------|--------|----------|

|                    |  |
|--------------------|--|
| 1. film            |  |
| 2. black and white |  |
| 3. easter          |  |
| 4. local           |  |
| 5. traditional     |  |
| 6. national        |  |
