Task 1. Now think about these professions. What can a person who applies for this profession mention in their cover letter?

Profession	Where did you find this vacancy?	What previous experience can be helpful for this job?	Why are they so motivated for this job?
e.g. English teacher	e.g. As it was mentioned on Green Country Facebook page, you are looking for a teacher.	e.g. I am studying languages in university and I have already worked as a tutor in summer.	e.g. I'm a people person and enjoy spending time with children. We get along very well and I'm delighted to see how they progress.
