Heather I'd like to buy that jacket in the window.

Salesclerk Well, there are three jackets in in the window. Do you want the one with the feather collar?

Heather No. The other one. The leather one.

Salesclerk The one with the zipper?

Heather No, not one either. That one over there. The one that's on sale.

Salesclerk Oh, that one. Now, here's the leather jacket that I think you'd like.

Heather But this one is more expensive than the one in the window.

Salesclerk It's a better jacket than the other one. The one is smoother.

Heather I'd like get the one in the window, though. I think that one is better for cold weather.

Salesclerk Well, fine, if it's the one you want. But we don't take it out of the window until three o'clock on Thursday.
