Look at the sentences below about Himeji Castle. Read the text to decide if each sentence is correct or incorrect. If it is correct, choose TRUE. If it is not correct, choose FALSE. (10 questions)

Himeji Castle

Himeji Castle, in Japan, is one of the most famous castles in the world. You may have seen it in movies or TV shows. The James Bond movie *You Only Live Twice* took place there, as well as some video games. It has an interesting history. It was built as Himeyama Castle in the 14th century. It was made mainly from stone and wood, and set high on a hill. It had three moats, although one is no longer in use. It's the largest castle in Japan. There are 83 different buildings. Every year, millions of people visit this beautiful castle. The record was 2.87 million visitors in 2015. It's one of the most popular tourist attractions in Japan. If you get the chance, you should visit this wonderful place.
