**Reading****4** a) ★ Read the text and mark the sentences 1-5 T (true) or F (false).

Do you like exotic animals? What's it like to share your breakfast with a playful elephant called Jokia? This is just a normal day for the staff and guests at The Elephant Nature Park in the mountains of Thailand.

The Elephant Nature Park is on a very large estate, so all the elephants are free to walk around and play with each other and eat and swim in the rivers. Each elephant has a different name and personality.

The Elephant Nature Park is a conservation project. There are only 3-4 thousand elephants left in Thailand.

- 1 Elephants have breakfast with the staff. ....
- 2 The Elephant Nature Park is small. ....
- 3 Elephants can do what they want in the Park. ....
- 4 All elephants there behave the same way. ....
- 5 Today, there are less elephants than before in Thailand. ....

**b) ★★ Do you want to visit The Elephant Nature Park? Why/Why not? Write a few sentences.**
